

Flexiti Financial

Flexiti has reimagined point-of-sale (POS) consumer financing to drive sales for retailers in-store and online, becoming one of Canada's leading private label credit card issuers. Through our award-winning platform, we deliver a POS financing experience across any device that is customer-centric, simple and intuitive. Without the need to integrate into existing POS systems, retail partners can easily offer the same fast and paperless financing solution across all retail locations and sales channels to increase revenue and build loyalty through repeat purchases. Senior Risk Strategy Analyst

Flexiti Financial is looking for a Senior Risk Strategy Analyst with the primary focus being on fraud, reporting to the Director, Acquisition and Fraud. The Senior Risk Strategy Analyst will identify fraud risk exposures and develop and implement suitable fraud risk mitigation strategies to minimize fraud losses and ensure the customer experience is strong. This position requires high attention to detail, sound judgment to execute risk strategies, strong investigative and analytical skills, and exceptional communication skills. This is a wonderful opportunity for individuals looking for a role with less structure, more ambiguity but the ability to create; while becoming an important contributor to an exciting up-start.

Skills and Qualifications:

- 2+ years of experience in fraud risk with a focus on application fraud a preference.
- 4+ years of experience of reporting, analysis and strategy development in financial services.
- Proven experience using SQL (or similar) to perform queries to analyze, extract and validate data
- Proven ability to effectively analyze and interpret large amounts of raw data to accurately convey business needs
- Demonstrated ability to identify issues of a complex nature and effectively resolve
- Ability to adjust to fluctuating workload with the pressure of aggressive deadlines
- Solid knowledge of financial services industry and the products related to consumer credit
- Proficiency with Microsoft Suite

Qualifications

- Someone who likes to roll up their sleeves and get their hands dirty; but is happy to work independently
- Excellent communicator with strong oral and written communication skills required to effectively and concisely present key findings to senior management and other team members.
- Possess strong analytical and problem-solving skills

- Strong work ethic, curious and persistent determination in reviewing and reconciling variances
- Are highly organized and detail-oriented and can initiate proactively
- Desire to take full ownership of deliverables and be accountable for results
- Ability to produce deliverables accurately and on time with minimal supervision
- Ability to draw conclusions and provide explanations and make recommendations based on analysis
- Willingness and ability to continually improve processes and document procedures for producing deliverables
- Bonus – Earned experience developing technology products in an award-winning Fintech ‘startup’
- Flexibility to adapt to an evolving environment with shifting priorities with the capacity to handle multiple competing demands and meet tight turnaround timelines

What We Offer

Below are just a few reasons why people love working here:

- An opportunity to be a part of an award winning and fast growing company
- An innovative culture that promotes autonomy and flexibility
- A dynamic team and working environment that provides ongoing support
- Competitive compensation package commensurate to experience

Flexiti embraces diversity. We are committed to building a team that represents a variety of backgrounds, perspectives, and skills. All qualified applicants will receive consideration without regard to race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, disability, age, marital status, or family status. If you require disability-related accommodation during the application or interview process, simply let us know and we'll work with you to ensure you have a positive experience.
