

Flexiti Financial

Flexiti has reimagined point-of-sale (POS) consumer financing to drive sales for retailers in-store and online, becoming one of Canada's leading private label credit card issuers. Through our award-winning platform, we deliver a POS financing experience across any device that is customer-centric, simple and intuitive. Without the need to integrate into existing POS systems, retail partners can easily offer the same fast and paperless financing solution across all retail locations and sales channels to increase revenue and build loyalty through repeat purchases. For more information, visit www.flexiti.com.

Treasury Manager

Flexiti Financial is looking for a Treasury Manager to join its Finance team team. We are looking for this person to grow and develop banking expertise in a dynamic and collaborative environment. Supporting the VP of Treasury, the Treasury Manager will be exposed to virtually all aspects of the business, including securitization, liquidity risk management, cash management and treasury operations, funding strategy, and asset/liability management. The immediate focus of this position will be partnering in developing Flexiti's securitization program, which will be an important funding source for the company. The successful candidate will utilize their specialized finance expertise, financial knowledge, and skills to support the continued growth and expansion of the company's funding strategy.

Responsibilities

- Direct preparation of fiscal records and financial plans, policies, and reports.
- Financial operations and consolidation of subsidiaries.
- Develop financial forecasts and monitor financial health, monitoring guardrails around financial commitments.
- Work with the business to optimize business performance and planning.
- Ensure timely and accurate business/financial reports and plans.
- Financial modelling (supporting treasury reporting - modelling, analyzing models, etc.).
- Execute on the data, build reports, and present the findings to management.
- Manage and coordinate all financial spreadsheet models used by Flexiti in the execution of various Treasury activities.
- Provide 'break/fix' support for complex spreadsheet formulas and processes to enable processes to operate seamlessly and to ensure Treasury management have complete and accurate information, to facilitate proper analysis and decision-making.
- Manipulate, analyze data, and build data sets (need to be comfortable with financial modelling and reviewing large data sets on a regular basis).

Qualifications

- Undergraduate or Postgraduate University degree in a financial discipline with 4+ years of relevant experience

- CFA/ FRM considered an asset
- Prior experience in supporting securitization transactions
- Previous work experience in Treasury and/or Finance within a financial services environment
- Proven experience using SQL to perform queries to analyze, extract and validate data
- Experience with Microsoft Power BI, Microsoft SSRS, Python, R
- Strong quantitative, analytical, and financial analysis skills
- Accuracy, attention to detail and sound judgment
- Strong business acumen with a good understanding of the business environment to provide meaningful analysis
- A team player with demonstrated ability to effectively manage internal relationships by collaborating within the department and across business units
- Experience in prioritizing and managing multiple initiatives simultaneously
- Effective written and verbal communication skills to deal with internal/external customers and senior management

What We Offer

Below are just a few reasons why people love working here:

- An opportunity to be a part of an award winning and fast growing company
- An innovative culture that promotes autonomy and flexibility
- A dynamic team and working environment that provides ongoing support
- Competitive compensation package commensurate to experience

Flexiti embraces diversity. We are committed to building a team that represents a variety of backgrounds, perspectives, and skills. All qualified applicants will receive consideration without regard to race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, disability, age, marital status, or family status. If you require disability-related accommodation during the application or interview process, simply let us know and we'll work with you to ensure you have a positive experience.
