

About Flexiti

Flexiti has reimagined point-of-sale (POS) consumer financing to drive sales for retailers in-store and online, becoming one of Canada's leading private label credit card issuers. Through our award-winning platform, we deliver a POS financing experience across any device that is customer-centric, simple and intuitive. Without the need to integrate into existing POS systems, retail partners can easily offer the same fast and paperless financing solution across all retail locations and sales channels to increase revenue and build loyalty through repeat purchases. For more information, visit www.flexiti.com.

Senior Collections Reporting Analyst

Flexiti Financial is looking for a Senior Collections Reporting Analyst to join our Reporting & Analytics team. This individual will be the key person for consulting with the business to understand its goals and objectives, processes, and requirements. Reporting directly to the Director of the Reporting team, the Senior Reporting Analyst will know what's really hiding in data; allowing for clearer insight, a better decision, a competitive advantage and most importantly, the success of our business and our customers. If you see analytics as an opportunity to solve problems, build relationships and drive business, you've come to the right place. This is a wonderful opportunity for individuals looking for a role with less structure, more ambiguity but the ability to create; while becoming an important contributor to an exciting up- start.

Responsibilities

- Own end-to-end process of developing and maintaining complex reports and analyses, while ensuring timely and accurate delivery
- Be involved in key strategic projects by aligning data requirements with business needs and execution
- Support business areas by delivering ad hoc data requests, while collaborating to get to the optimal data interpretation
- Liaise with other departments to enhance knowledge of business products, system functionality and data quality
- Identify trends and key metrics to support the business in identifying crucial findings to make better decisions

Qualifications

- 5+ years of experience in reporting, analysis and strategy development in the financial services industry
- Proven experience using SQL to perform queries to analyze, extract and validate data.

- Experience with Microsoft Suite, Microsoft Power BI, and Microsoft SSRS
- Knowledge and experience with Python, R, and statistical models is an asset
- Proven ability to effectively analyze and interpret large amounts of raw data to accurately convey business need
- Demonstrated ability to identify issues of a complex nature and effectively resolve
- Strong working knowledge in presenting quantitative data via PowerPoint, Excel, Word, etc.
- Ability to adjust to fluctuating workload with the pressure of aggressive deadlines
- Solid knowledge of financial services industry and the products and services related to consumer credit (Risk, Analytics, or Marketing)
- Knowledge of Champion / Challenger reporting an asset
- Experience creating and analyzing collection reporting such as roll rate and vintage reports an asset
- Excellent communicator with strong oral and written communication skills
- Possess strong analytical and problem-solving skills
- Strong work ethic, curious and persistent determination in reviewing and reconciling variances
- Ability to produce deliverables accurately and on time with minimal supervision
- Ability to draw conclusions and provide explanations and make recommendations based on analysis
- Willingness and ability to continually improve processes and document procedures for producing deliverables

What We Offer

Below are just a few reasons why people love working here:

- An opportunity to be a part of an award winning and fast growing company
- An innovative culture that promotes autonomy and flexibility
- A dynamic team and working environment that provides ongoing support
- Competitive compensation package commensurate to experience

Flexiti embraces diversity. We are committed to building a team that represents a variety of backgrounds, perspectives, and skills. All qualified applicants will receive consideration without regard to race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, disability, age, marital status, or family status. If you require disability-related accommodation during the application or interview process, simply let us know and we'll work with you to ensure you have a positive experience.
